Client Consent Form

Alternative Therapy

Texas state law currently considers animal chiropractic to be an alternative therapy in veterinary medicine. Texas Administrative Code Rule §573.14. By signing this form, you acknowledge that animal chiropractic is an alternative therapy in veterinary medicine and state that you have had the opportunity to pursue conventional treatment(s) for your animal(s) listed below.

Informed Consent

In rare instances, adverse conditions have been associated with chiropractic treatment such as, but not limited to: fracture, dislocation, disc injury, strain/sprain, worsening of present condition, stroke, or neurologic impairment. By signing this form, you acknowledge that you have read and understand the potential risks of chiropractic and consent to chiropractic treatment for your animal(s) listed below.
